Dear Parent/Carer

30th November 2016

End of Autumn Term Arrangements

We are writing to inform you about two events which will be taking place during the final week of this term.

The Christmas meal will be served on Wednesday 14th December. The cost to students will be £2.25. The students do not need to book, so they can arrive on the day and enjoy their Christmas lunch together.

On the last day of term (Friday 16th December) we also encourage all staff and students to wear Christmas jumpers as we fundraise for charity, with this year's funds raised going to 'Save the Children'.

Students will be asked to donate £1 which will then go to supporting this worthwhile cause. Students need to wear their school uniform, including shirt and tie with their jumpers over the top. They will not require their blazers for the day.

On this day we will also hold our Christmas celebration assemblies which will take place throughout the morning. When students are not in an assembly they will follow their normal timetable.

At the start of period 4, on Friday 16th December, students will go to their registration room to meet their group tutor. School will then finish for the day at 1.15pm and the buses will be waiting for students at this time.

Please be aware that any student who does not attend for afternoon registration will receive an unauthorised absence on their attendance record. If the earlier finish to the school day causes you any difficulties please contact your child's Learning Progress Manager and arrangements will be made to supervise your child in school until 3.00pm. However, please note that the school buses will not be running at this time.

May I take this opportunity to thank you for your support during this term. If you have any queries or concerns regarding your child's learning or welfare in school please do not hesitate to contact the relevant Learning Progress Manager either by telephone or e-mail.

We wish you all a peaceful festive season and a very happy new year.

Yours faithfully,

Mrs Lindsey Burgin

Mr Chris Esberger

Vice Principal, Lower School

Assistant Headteacher, Upper School

All adults in school have a responsibility to safeguard and promote the welfare of children.
