

## Y10 Trial Exams: Tuesday 27<sup>th</sup> June- Monday 3<sup>rd</sup> July 2023

Dear Parent/ Carer,

I am pleased to share with you the schedule for the upcoming Y10 Trial Exams. These exams are an important part of the work that your child is completing to prepare for their GCSE examinations during Summer 2024. The trial exams will ensure your child fully understands the formal JCQ examinations process and regulations, and how the GCSE exams process will run at Aston Academy. They will also enable students to practise their revision techniques, and the feedback they receive from these trial exams will indicate where students need to focus their revision moving into Y11. These examinations will provide your child's teachers with a clear indication of where they are succeeding and also where they may need additional support to be able to achieve their full potential during the summer 2024 exam period. Information regarding revision materials will follow, this has also been communicated to your child through individual subject areas.

Kind Regards

Miss Anyon  
Vice Principal
