Dear Parent/Carer,

PSHCE at Aston Academy

At Aston Academy we are committed to ensuring our young people are prepared for life and work in modern Britain. We want our students to develop the confidence to form positive relationships with others, be able to identify risks, resist pressures and make responsible decisions. The Personal, Social, Health and Careers Education (PSHCE) curriculum performs a vital role in realising this commitment.

This year, all students in key stage three and four receive PSHCE education in their tutor groups every week where they explore issues related to health, relationships, careers and citizenship at an age appropriate level. Our PSHCE curriculum is informed by the Department for Education's statutory guidance on Health and Relationships and Sex Education, the PSHE Association's recommended programme of study as well as national and local trends in young people's behaviour.

If you wish to find out more about the PSHCE curriculum and the topics students study in each year, you will find more information in the 'Subject Areas' page on our academy website. Please follow [this](#) link to see the updated RSE and PSHCE policy.

If you seek further information, please do not hesitate to contact: RPE@astonacademy.org.

Yours sincerely,

Mr O Paton
PSHCE Lead

All adults in school have a responsibility to safeguard and promote the welfare of children
