Dear Parent/ Carer,

In the week commencing Monday 15th January 2024, your child in Y11 will be entering into a full suite of trial exams. Please see below a link to the academic exam support section of the school website. Throughout the academic year we will be adding information to this in relation to exam support for all year groups. Please can I draw your attention to the Y11 January Trial Exam Revision Booklet, Timetable and Y11 Exam Guidance Booklet. All of these documents will give you and your child information regarding the revision necessary and the expectations of all students in the trial exams. Students have already had the revision information through their individual subjects but the booklet pulls it all together in one place and is in order of the exam programme.

The trial exams will ensure your child fully understands the formal JCQ examinations process and regulations, and how the GCSE exams process will run at Aston Academy. They will also enable students to practise their revision techniques, and the feedback they receive from these trial exams will indicate where students need to focus their revision moving through Y11. These examinations will provide your child's teachers with a clear indication of where they are succeeding and also where they may need additional support to be able to achieve their full potential during the summer 2024 exam period.
