15 April 2024

Dear Parents/Carers

The GCSE examinations 2024 are drawing closer, and with 3 weeks to go until they begin, we have put together a timetable of Booster and Revision sessions available. The Booster sessions are during the school day, and attendance to the sessions relevant to your child is compulsory. In addition to this, the period 6 Revision sessions are also there to support your child prior to their upcoming exam in the subject.

The Booster and Revision sessions are to fully support your child before their exam in each subject; we have tried to ensure before all the examinations, students will get some time in a Booster session with a subject specialist. We feel this is the best way to ensure they feel fully prepared for the exam they will be sitting.

The timetable on the next page for the first 3 weeks of the exam period does not include your child's examinations and therefore the exam timetable given to your child at the end of last term outlines all of their upcoming exams which always take priority. When your child is in school, without an exam taking place, they will attend Booster sessions as outlined below (if for a subject relevant to them). Where they have no exam, and no booster session, their normal timetabled lessons will take place.

We thank you for your continued support, and hope you will be able to attend our upcoming Revision Festival on Tuesday 16<sup>th</sup> April. The Year Team, in addition to our subject leads, will be there to answer any questions you may have.

Kind Regards

Ms L Greaves

Resilience    Pride    Respect    Ambition    Responsibility

**Be Exceptional**

**Please note: There are no exams on this timetable below. Where students do not have an exam or a booster session, they will attend their normal timetabled lesson, unless informed otherwise.**

	Period 3	Period 4	Period 5	Period 6
<b>Week 1 (6th May - 10th May)</b>
