13 November 2024

Dear Parents/Carers,

I hope you have been accessing your child's Class Charts details and keeping up to date with their daily progress. I know the feedback from staff has been very positive and we have enjoyed praising students and knowing that this information is immediately shared with our parents and carers.

We are now ready to launch our next phase of Class Charts. This week your child will be given a printout containing their Class Charts login details. This will enable our students to set up their own accounts and keep track of their own positive and negative behaviour comments, timetables and student messages.

Although students are not permitted to use mobile devices during the school day, we hope that our students will take the time to review their daily progress when not at school and discuss this at home. [This link](#) will help explain how students log in and the tool they can use on the Class Charts app.

We will be launching further features throughout the academic year, but we hope this first step will allow students to take ownership, develop resilience and improve school/student communication.

Any questions on this topic, or any aspect of your child's education, please do not hesitate to [contact us](#).

Yours faithfully,

Mr J Graham
Principal
