5 September 2025

Dear Parents/Carers of Year 7,

We are absolutely delighted with the start that Year 7 have made at Aston Academy.

This week has been dedicated to establishing our routines and expectations, including line-ups where teaching staff have collected the pupils. This has ensured that Y7 don't get lost and that they arrive at lessons calm and ready to learn.

It seems to be becoming something of a tradition that the first day of a new term brings some torrential rain - and this year had a very wet start! We moved our line-ups to the leisure centre and the pupils responded very well. The rehearsals and walk-throughs during transition days have really paid off - they are the best organised year group we have ever seen.

After induction, pupils are now ready to start learning in their subject areas - next week they will be following their Week B timetable. They will still be collected from and escorted to the Head Yard by their teachers.

How lovely to spend time this afternoon celebrating the fantastic start Y7 have made - we were especially keen to reward those pupils who have extended the hand of friendship to others, who have shown exceptional manners and who have made a fantastic first impression.

Yours faithfully,

Mike Kilgannon
Assistant Vice Principal
