Striving for **Excellence**
Empowering Achievement
Shaping **Learning**

Dear Parents/Carers,

Parent/Carer Governor Vacancies

We are currently looking to appoint two Parent/Carer Governors to join our Local Governing Body and we would love to hear from parents/carers who are passionate about supporting our academy community.

Parent Governors play an important role in helping to shape the future of the academy. They bring the views and experiences of families to the governing body and help ensure that decisions are made in the best interests of our pupils and wider school community.

The Local Governing Body meets three times a year to review and promote the development of the academy in order that we best meet the needs of our children. Governors are expected to prepare for and attend each meeting, undertake an induction, undertake training, take on a link governor role and make occasional visits to the academy.

No previous governance experience is needed, as training and support will be provided.

If you would like to make a positive difference and contribute to the continued success of the academy, please submit a Governor Application Form by **Friday 9th October 2026**.

Apply here: <https://mynewterm.com/jobs/136718/EDV-2026-AA-35242>

To be eligible, you must be the parent, carer or legal guardian of a pupil currently attending the academy. If more applications are received than there are vacancies, an election will be held and applicants' personal statements will be shared with parents and carers for voting purposes.

You can find out more about how Governance looks at Aston Community Education Trust and at Aston Academy by visiting our website: www.astoncetrust.org

Please note: All successful candidates will be required to undergo safeguarding and suitability checks before appointment, including a DBS check.

If you have any questions about the Governor role, please do not hesitate to contact me.

Yours faithfully,

James Graham
Principal

Part of the **ACET** family
